

## Directions

### From the M60 Stockport

Take the exit for junction 3 signposted A34 Cheadle and Wilmslow. This brings you onto a dual lane slip road, stay in the left lane which then becomes the left lane of 3 when you meet the main road. You will go straight over a crossroads with traffic lights and then be travelling up a slight incline. There is a turning to the left but ignore this and take the first slip road to the left which has a roundabout at the top and signposts Heald Green. At the roundabout take the 3rd exit. At the next mini roundabout go straight on. When the road splits you need to be in the right hand lane of 3. Go right at the lights, The Griffin Pub will be on the left as you turn. You are now on Finney Lane and the clinic is about 1 mile further down the road on the right.

### From M56

Leave the motorway at junction 5 for Manchester Airport. Follow signs for Cheadle and Wythenshawe and Quarry Bank Mill (Styal). This road (Ringway Road) will take you past the end of the runway. At the end of the road turn left onto Styal Road. At the next set of traffic lights turn right onto Finney Lane. The clinic is on the left just past Natwest bank and *Neal Avenue*
